Sprint 3 Report

Product Name: QueuedUp

Team Name: QueuedUp

Sprint Completion Date: July 20, 2020

Actions to Stop Doing

- Working on the previous sprint outside of the timebox, which potentially decreases the amount of time available for the next sprint

Actions to Start Doing

- Start earlier, at the very beginning of the sprint, and manage our time better

Actions to Keep Doing

- Working together on features through Zoom

Work Completed/Not Completed

User Stories	Work Not Completed	Work Completed
As a user, I want a profile with my information and an "about me" section	Task 6: Display the number of posts the user has contributed to the website	Task 1: Add route for user profile, linked to by a username in the frontend Task 2: Include user information in the profile, e.g. username, full name, profile picture, "about me" Task 3: Include a button to change the profile photo Task 4: Add "about me" to user profile schema in Firebase database Task 5: Display "about me" to the front-end user profile Task 7: Display the date the account was created

As a user, I want the ability to 'increment' discussion posts that I like		Task 1: Create BE method to "increment" posts Task 2: Display an icon button so a user can "increment" a post Task 3: Display how many users have already "incremented" a post
As a user, I want the ability to 'decrement' discussion posts that I dislike		Task 1: Create BE method to decrement" posts Task 2: Display an icon button so a user can "decrement" a post Task 3: Display how many users have already "decremented" a post
As a user, I want to include code snippets in my posts	Task 1: When a user submits a post, parse the contents for a ``` to indicate the beginning of a code fragment Task 2: Display the code in the discussion post as a code fragment
